- Go to “Beans” in the profile section.
- Click on the “Other” option under Exchange.
- Enter the User ID and tap “Exchange Beans”.

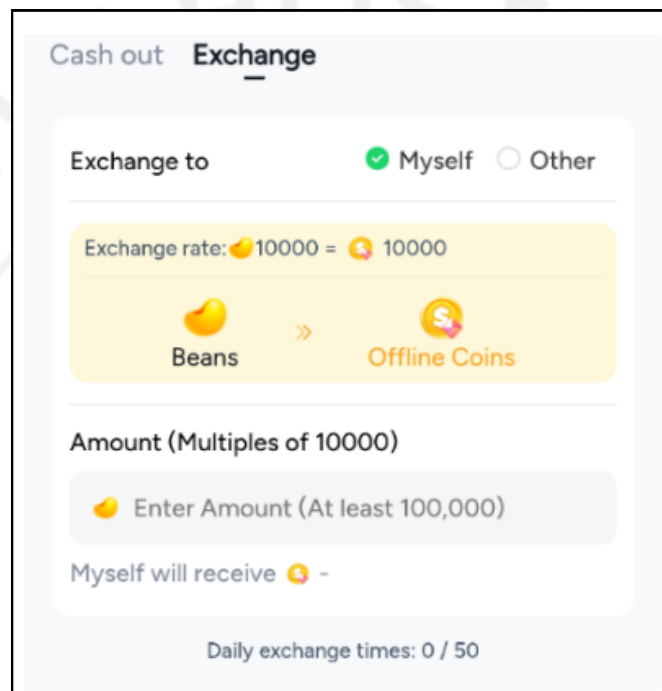

The screenshot shows the 'Wallet' app interface. At the top, there is a navigation bar with a back arrow, the title 'Wallet', and a 'Details' link. Below the navigation bar, there is a yellow box containing 'Total Beans' with a coin icon and the number '0'. Below this, there is another yellow box with 'Withdrawal Beans' (coin icon and '-') and 'Beans to be confirmed' (coin icon and '0'). Below the yellow boxes, there are two tabs: 'Cash out' and 'Exchange', with 'Exchange' being the active tab. Under the 'Exchange' tab, there is a section 'Exchange to' with two radio buttons: 'Myself' (unselected) and 'Other' (selected). Below this, there is a yellow box with a coin icon, the word 'Beans', a double arrow '»', a coin icon with a dollar sign, and the word 'Coins'. Below this, there is a section 'Exchange rate' with two lines of text: 'To Seller : 10,000 Beans = 10,000 Coins' and 'To User : 10,000 Beans = 9,800 Coins'. Below the exchange rate section, there is a section 'User ID' with a text input field containing 'Please input the user id' and a 'Check' button. Below the input field, there is a red text overlay that says 'input your ID'. At the bottom of the screen, there is a green button labeled 'Exchange Beans'. The background of the app has a faint watermark of a hand holding a star.

Method 4

Exchange your own beans to your seller account as offline coins.

Option 1:

- Go to “Beans” in the profile section.
- Click on the “Myself” option under Exchange.
- Enter the amount and tap “Exchange Beans”.

3. How to Sell Coins

Follow the steps below to sell coins:

1. Choose Transfer to sell coins.
2. Select the recipient type:
 - If you choose a User, the coins will be added to the user's coin account.
 - If you choose a Coin Seller, the coins will be added to the coin seller's offline coin account.
3. Enter the ID to which you want to sell coins.
4. Click "Check" to confirm the ID.
5. Enter the amount of coins you want to sell.
6. Click "Transfer" to complete the process.

The screenshot displays the 'Coins_Seller' app interface. At the top, there are tabs for 'Coins_Seller' and 'Customer', with a 'Trading' sub-tab selected. A yellow warning banner states: 'Attention: Coin sellers with no sales for 15 consecutive days will be downgraded to Beginner Coin Seller.' Below this, the 'My Balance' section shows 'Available balance' and 'Total Balance' both at '\$10,000', with a 'Security Deposit' of '\$0'. The 'Current level: Beginner Seller' is indicated. The 'Transfer' option is selected under the 'Sales method' section, with a note: 'After closing your Coin Seller account, you can transfer Offline Coins only to your own Coins account.' The 'Sales method' is set to 'User' (checked) instead of 'Coinseller'. The 'User ID' field is empty, with a 'Check' button next to it. The 'Amount' field is also empty, with a note 'Please enter a multiple of 1' and 'Will receive coins.' A large green 'Transfer' button is at the bottom.
