How to Sell Coins

Step 1: Click [Agent] ->>Click [Coins Trading]

Step 2: Coins transfer operation

1. Enter the Poppo ID you are going to transfer.
2. The amount of coins you are going to transfer.
3. Choose transfer to coin account / agent account.
4. Tap transfer to complete the process.

How To Sell Coins To Agents

To apply for the Coinseller, you need to fulfil the following condition:

1. You must have active hosts, not less than 5, and provide the host poppo id to us. (active host: weekly live/party not less than 6 hours)
2. You need to purchase or exchange 2000 USD equivalent coins in one shot and store them in your agent coins account.

OR:

1. you can recharge or exchange 6000 USD equivalent coins in one shot and store them in your agent coins account.

Tips: To keep the Coinseller feature, you have to keep a decent selling amount each month. Otherwise, your Coinseller feature will be cancelled.
